In an Arkansas women's prison bathroom with her mother, girlchild Neicy scratches on the cold tile floor as activity in the adjacent stall establishes the emphatic sexuality that permeates her life. A successful actress in her forties, she is pretty, smart, caring, and committed to social justice, but still sexually self-destructive and confused about love and intimacy. When her promising Broadway career collapses, she plunges into a dark night of the soul. What is the value of worldly achievement measured against true self-worth? How does magnificent physical connection become conscious and lasting human union? Neicy's pain is tempered by friendships, faith, humor and grace. Everything edges to a riotous climax when she travels on a "transform or die" mission to her wise, dapper stepfather's seventy-ninth birthday party. Thoughtful, infused with spirituality, and inventive about how unconscious material seeps into everyday life, NEICY compels us to examine difficult sexual issues -- promiscuity, repression, abuse, powerlessness, and fear -- and points the way to enlightened sexual celebration.
